Introduction

This directory provides a list of Align powered by Sanford Health Plan's network providers. The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. When you become a member of Align ChoiceElite (PPO) or Align ChoicePlus (PPO), you may choose a network provider to be your PCP from a select group of our plan's network providers. You should see your PCP first for most of your routine health care needs. Your PCP can provide much of your care and can help you arrange or coordinate the rest of the covered services you get as a member of our plan. You do not need a referral (approval from your PCP) to see a network or out-of-network specialist or other provider.

Out-of-network providers are under no obligation to treat our enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at (888) 278-6485 (TTY: 711), 8 a.m. to 9 p.m. CST, 7 days a week, October 1-March 31 except on Christmas and Thanksgiving, and Monday through Friday all other dates except on federal holidays. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you receive a bill from an out-of-network provider, you should not pay the bill, unless you have received an Explanation of Benefits (EOB) that details what the plan will pay for your service, and any remaining balance you will need to pay. If you receive a bill from an out-of-network provider, but have not yet received an EOB, please submit the bill to your plan or ask the provider to submit the bill to your plan for you. If you are using an out-of-network provider for emergency care, urgently needed services, or out-of-area dialysis, you may not have to pay a higher cost-sharing amount. You may refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.
